REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: As for claims 1-13, no prior art discloses or renders obvious an automated method to catch and release a plunger which travels in a production tubing for a well as claimed and wherein the controller, upon receiving a signal about the arrival of the plunger, sends a signal to actuate a stem in order to hold the plunger in the surface catcher chamber. As for claims 14-16, no prior art discloses or renders obvious an automated catch and release plunger and chemical application apparatus for a production tubing for a well as claimed and including a surface plunger catcher at the top of said production tubing having a stem movable in order to hold said plunger in said surface plunger catcher in response to a signal from a controller.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hoang Dang whose telephone number is 571-272-7028. The examiner can normally be reached on 9:15-5:45 Monday-Friday.
